

Invitation

Invasive alien species in the Danube Region – IAS of regional concern

Venue: Hungary, Tata, Palm Event House of Kristály Hotel Imperial****
(Address: 2890 Tata, Angolpark)

Date: 04/03/2026 – 05/03/2026

Registration: <https://forms.gle/YywsD95F8eMCWFPT7>

Main focus of the event: Within EUSDR PA6 the Danube Invasive Alien Species (DIAS) working group was established in 2014 the same year when EU's IAS regulation was adopted. The EUSDR Hungarian national coordination contributed to its objectives with the preparation and publication of the book „Invasive animal species in Hungary”. To support further steps on IAS management in the Danube River Basin we provide the opportunity for the discussion and networking of relevant ministries, European Commission, international organizations, nature conservation authorities, research institutes and NGOs.

Draft Programme

Day1 (04/03/2026)
