## FOREWORD BY VORWORT VON JOHANNES HAHN

**Europe is at a crossroads.** The crisis has sharpened our minds. We must think more deeply on how best we use public finances to re-establish and to promote sustainable growth and jobs. The macro-regional approach is a boost, by maximising the impact of existing funds and ensuring, above all, 'joined-up' thinking between different sectors.

We need to find solutions to common problems. The EU Strategy for the Danube Region has promoted projects and networks in the fields of business, innovation, security and much more.

The Annual Forum is the opportunity to take stock of the work done and think ahead. We need to see together how the Strategy can help build a more competitive Europe. We need to establish the Strategy's links with the future period 2014-2020, to make sure our new EU budget and programmes can make it succeed.

Building the future of the Danube Region is our common challenge.

Be part of it. Make use of this opportunity to be actively involved in how the Danube future is shaped!

### JOHANNES HAHN

Member of the European Commission  
in charge of Regional Policy

**Europa steht am Scheideweg.** Die Krise hat unser Bewusstsein geschärft. Wir müssen gründlicher darüber nachdenken, wie wir öffentliche Mittel am besten für die Wiederbelebung und Förderung von nachhaltigem Wachstum und Beschäftigung einsetzen können. Der makroregionale Ansatz schafft Auftrieb, da er die Wirkung der verfügbaren Finanzmittel maximiert und vor allem ein „vernetztes“ Denken zwischen den unterschiedlichen Bereichen gewährleistet.

Wir müssen Lösungen für gemeinsame Probleme finden. Die EU-Strategie für den Donaauraum fördert Projekte und Netzwerke in den Bereichen Unternehmen, Innovation und Sicherheit, um nur einige zu nennen.

Das Jahresforum bietet Gelegenheit, über die geleistete Arbeit Bilanz zu ziehen und vorauszudenken. Wir müssen gemeinsam prüfen, wie die Strategie dazu beitragen kann, Europa wettbewerbsfähiger zu machen. Wir müssen die Verbindungen der Strategie mit dem zukünftigen Finanzierungszeitraum 2014-2020 aufbauen, um sicherzustellen, dass der neue EU-Haushalt und die neuen Programme der Strategie zum Erfolg verhelfen können.

Die Zukunft des Donaauraums zu gestalten, ist eine Herausforderung für uns alle.

Seien auch Sie ein Teil davon. Ergreifen Sie diese Gelegenheit, sich aktiv an der Gestaltung der Zukunft der Donau zu beteiligen!

Mitglied der Europäischen Kommission,  
zuständig für Regionalpolitik

## FOREWORD BY VORWORT VON EMILIA MÜLLER

The Danube connects Bavaria with a number of European countries to an area that has been shaped by centuries of shared history and culture. The Danube region has the potential to act as an important stimulus in a united Europe, in areas such as economy, science and culture, environment, education and security. As Bavarian Minister for European Affairs, I have welcomed the development of a European Strategy for the Danube region from the beginning.

For the convergence of this region, it is important that representatives from the whole Danube region covering different fields and backgrounds come together to develop a common vision and practical ways for achieving its realization.

It is therefore my pleasure to welcome you all here at the First Annual Forum of the EU Danube Strategy in Regensburg, a city beautifully situated on the Danube. Together with the Mayor of Regensburg, whom I would like to thank very much for his hospitality, I wish you all an interesting and constructive conference.

**EMILIA MÜLLER**  
State Minister for European Affairs,  
Government of Bavaria

Die Donau verbindet Bayern mit einer Reihe weiterer europäischer Länder zu einem Raum, den eine jahrhundertelange gemeinsame Geschichte und Kultur prägen. Dieser Raum hat das Potenzial wichtige Impulse im vereinten Europa zu setzen; etwa in den Bereichen Wirtschaft, Wissenschaft und Kultur, Umwelt, Bildung und Sicherheit. Als Bayerische Europaministerin habe ich die Entwicklung einer Europäischen Strategie für den Donaauraum von Anfang an begrüßt.

Für das Zusammenwachsen eines solchen Raums ist es wichtig, dass sich Vertreter aus den verschiedensten Bereichen und Regionen zusammenfinden und gemeinsam Visionen sowie praktische Wege zu deren Verwirklichung entwickeln.

Es ist uns daher ein Vergnügen Sie alle hier beim ersten Jahresforum der EU-Donauraumstrategie in Regensburg begrüßen zu dürfen. Gemeinsam mit dem Oberbürgermeister der wunderschönen an der Donau gelegenen Stadt Regensburg, dem ich für die Gastfreundschaft ganz herzlich danke, wünsche ich uns allen eine interessante und konstruktive Veranstaltung.

**EMILIA MÜLLER**  
Staatsministerin für Europaangelegenheiten,  
Bayerische Staatsregierung
