

Building of digital entrepreneurial capacities of the elderly through the innovative training system - eDigistars

22 September 2021

EUSDR Thematic Conference on Innovation & Digitization

SPEAKER'S NAME: Orsolya SZAPLONCZAY
POSITION: Clustermanager, CEO
ORGANISATION: INNOSKART Digital Cluster

Project mission

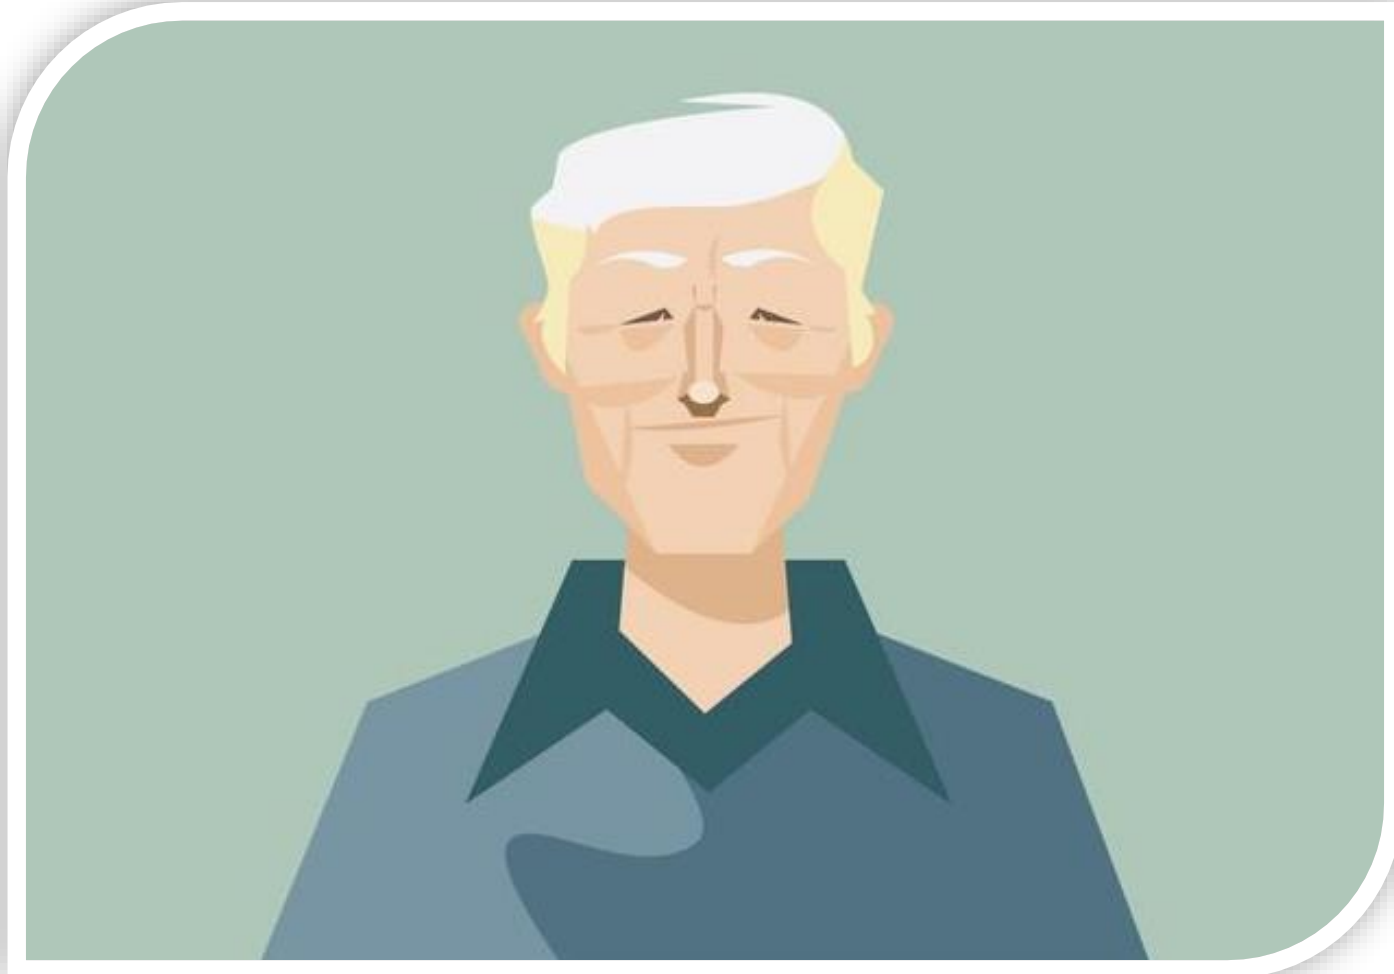

„Empowering elderly at the digital work-market“

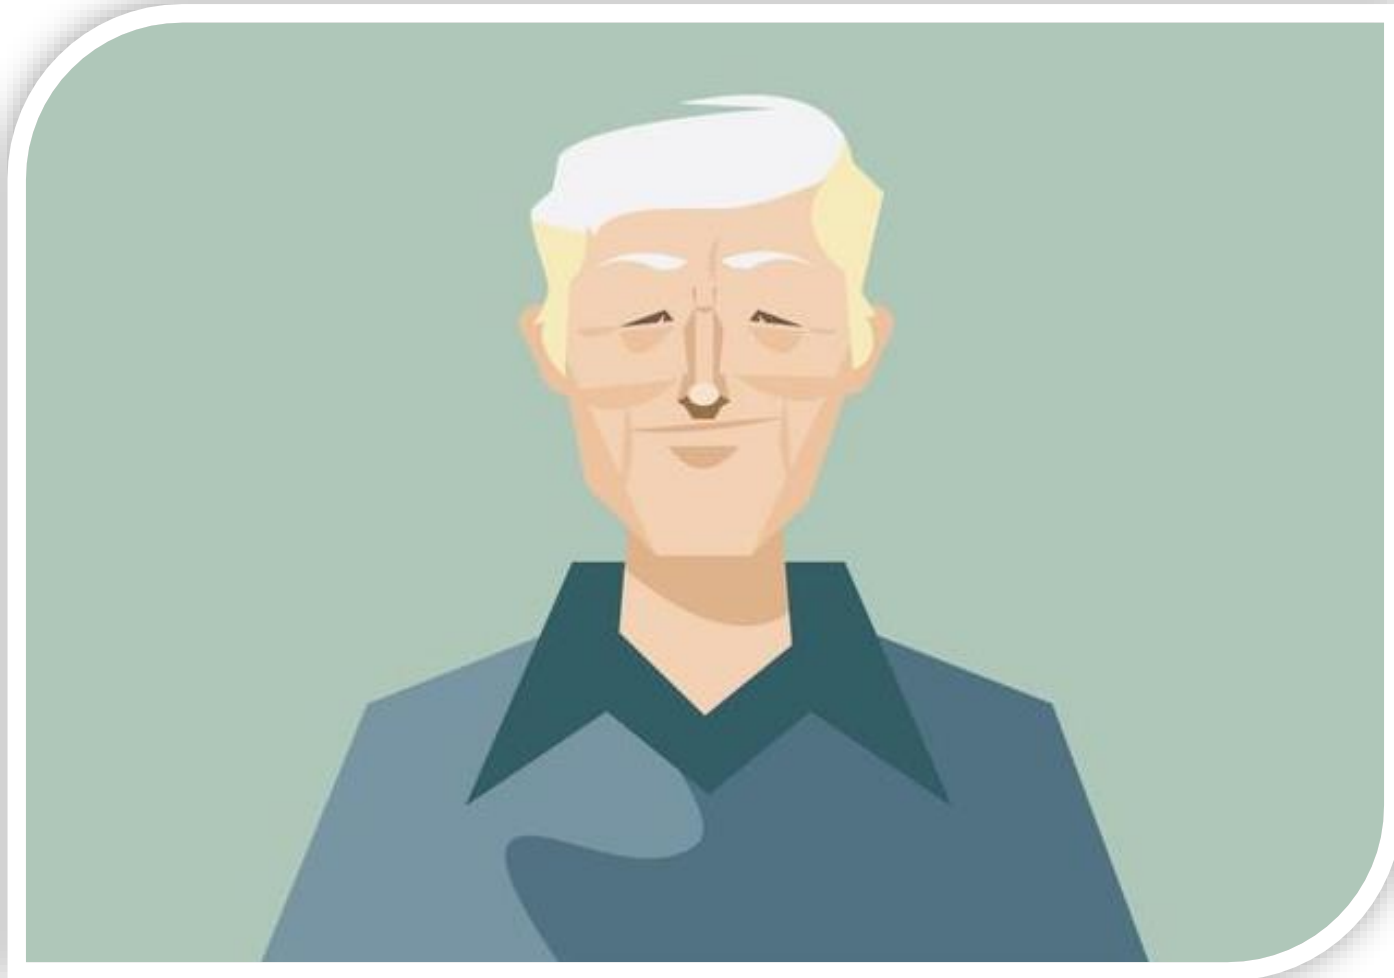

Challenge #1: Lack of skilled workforce in digital fields

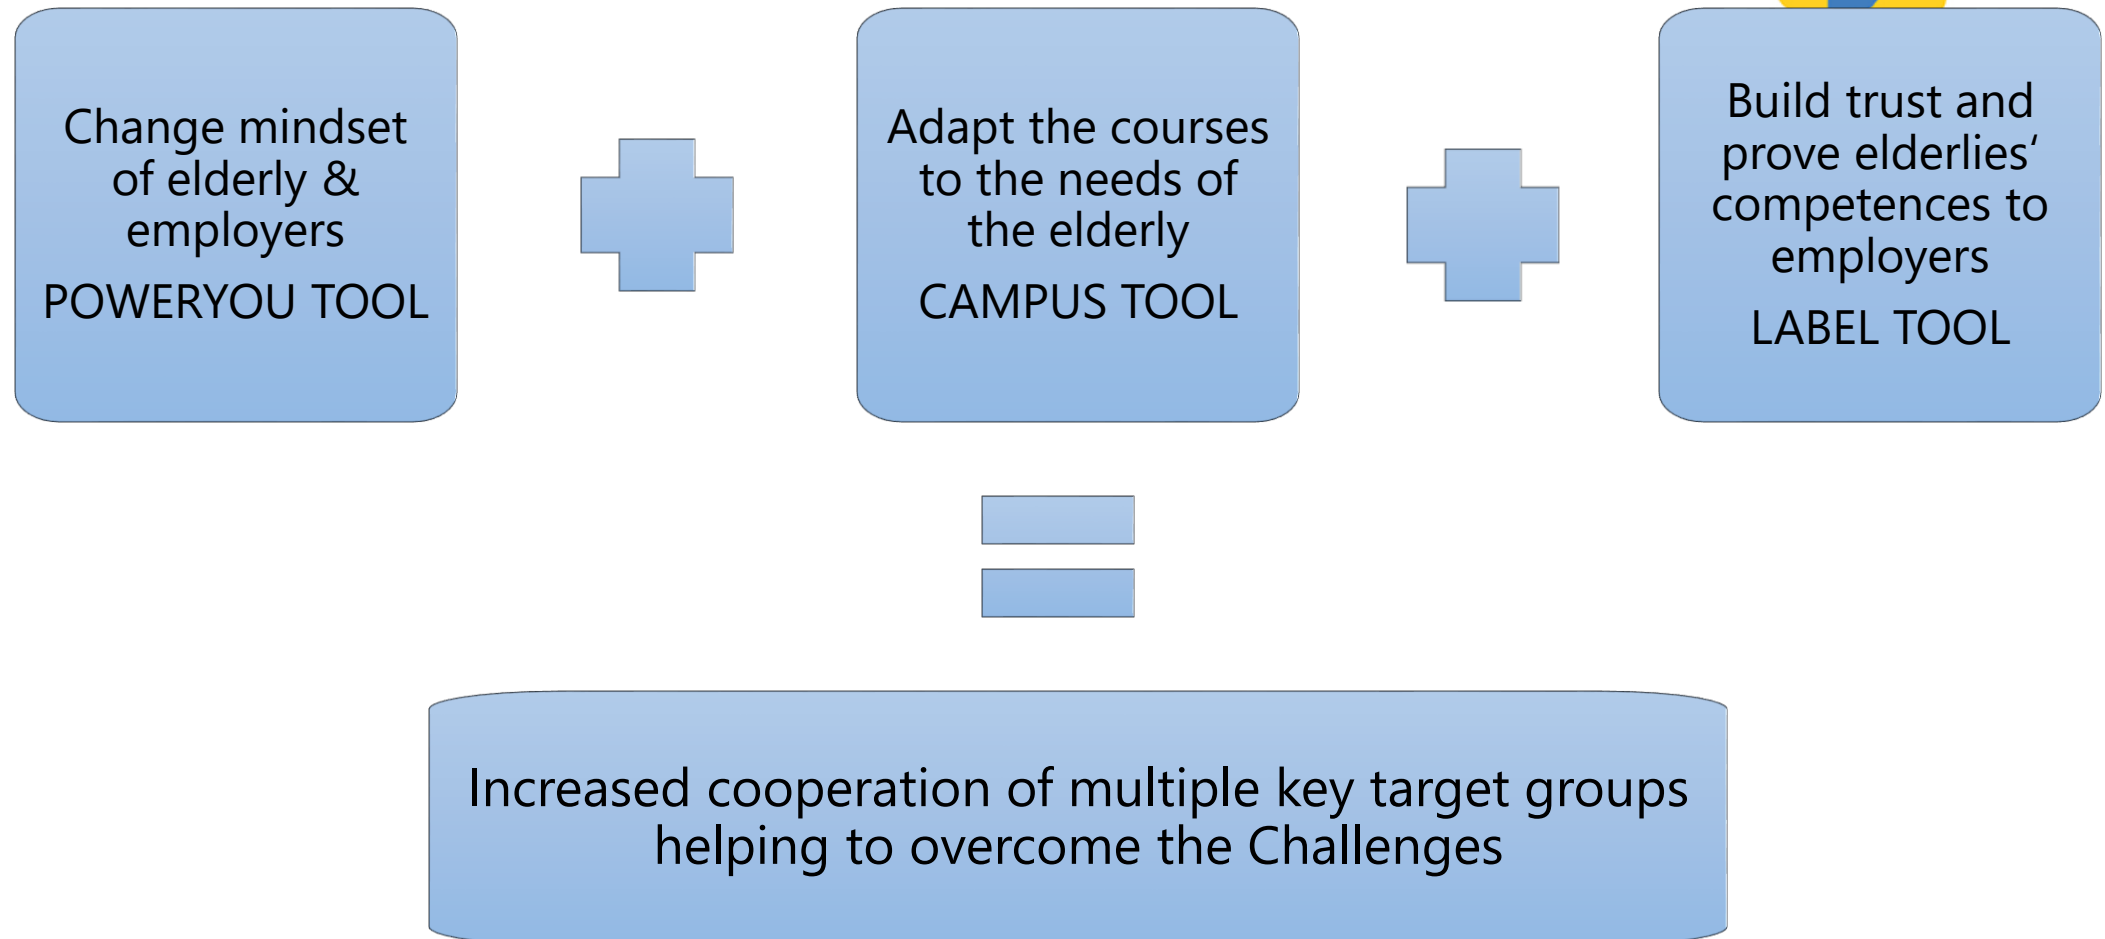

Challenge #2: Ageing population & employability difficulties

Challenge #3: Lower competitiveness of the whole Danube region

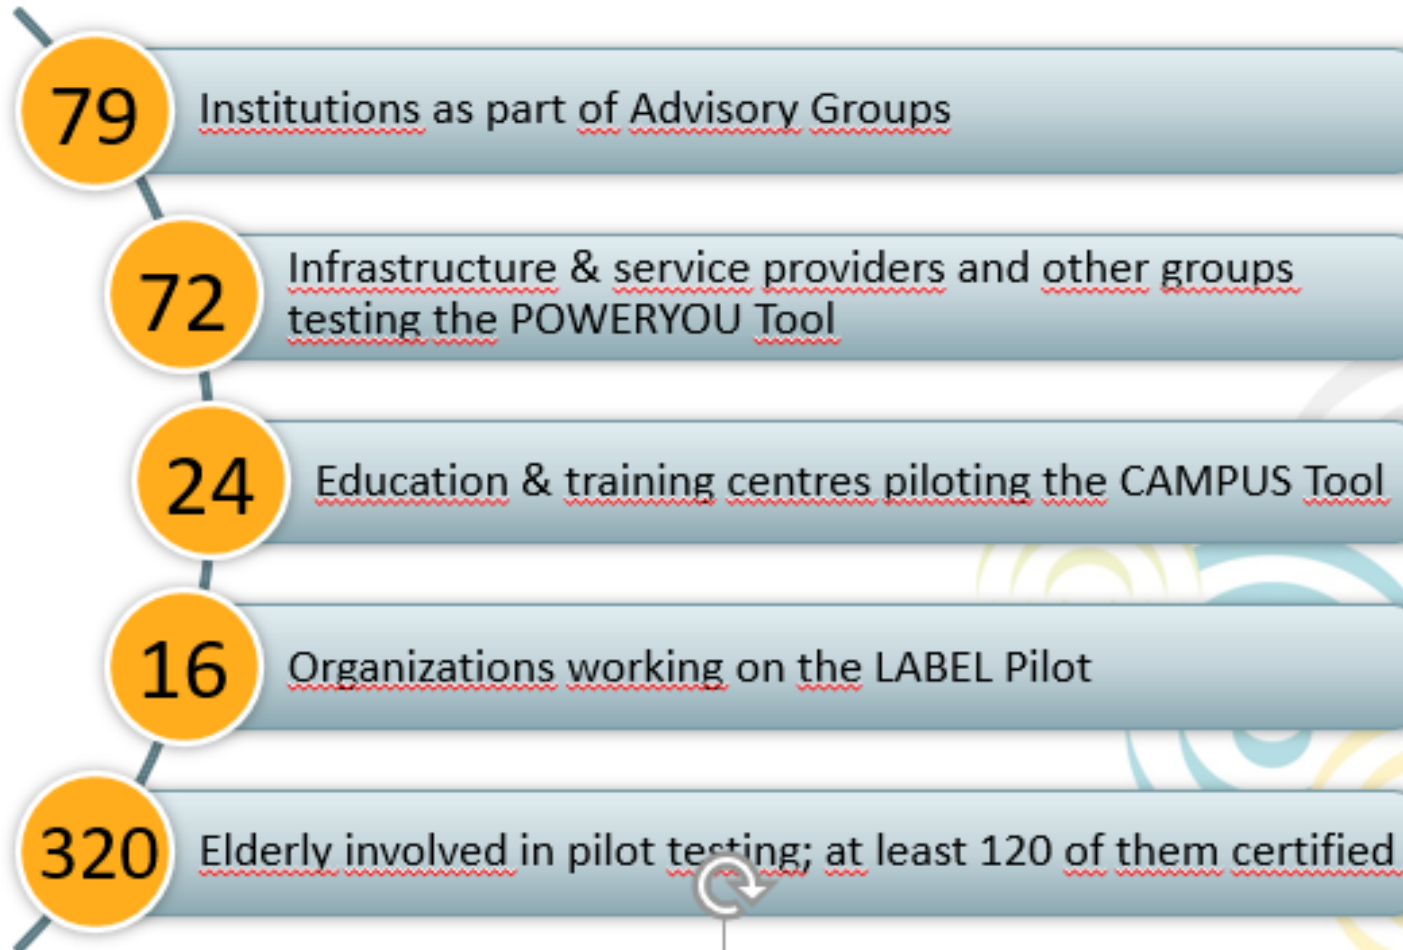

Our Response – Three Steps, One Result

Our Response – What do we do?

Our Response – Who are included?

Inspirational questions

- Have already experienced such labelling system on your regional labour market?
- Do you see further development possibility of the topic? If yes, where and how?

The image features a dark blue background with abstract geometric patterns in the corners. The top-left corner contains a cluster of shapes including a yellow semi-circle, a blue triangle, a white semi-circle, a yellow triangle, and a 4x4 white checkerboard. The bottom-right corner features a 4x4 white checkerboard, a blue square, a yellow circle, a blue circle, and a white square. The central text is white and reads "Thank you for your attention".
