# A smarter Danube Region: experience from ENI CBC and prospects for Interreg NEXT

**EUSDR Embedding Week**

11 July 2022

A project funded by the European Union

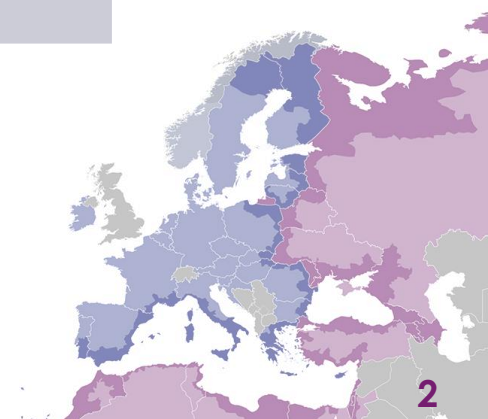

Implemented by a consortium led by

# Overview of selected SO in Interreg NEXT

Specific objectives selected	Poland-Ukraine	Hungary-Slovakia-Romania-Ukraine	Romania-Ukraine	Romania-Republic of Moldova	Black Sea Basin
SO 1.1	-	-	-	-	Yes
SO 1.3	-	-	-	-	-
SO 2.1	-	-	-	Yes	-
SO 2.4	Yes	Yes	Yes	Yes	Yes
SO 2.7	Yes	Yes	Yes	Yes	Yes

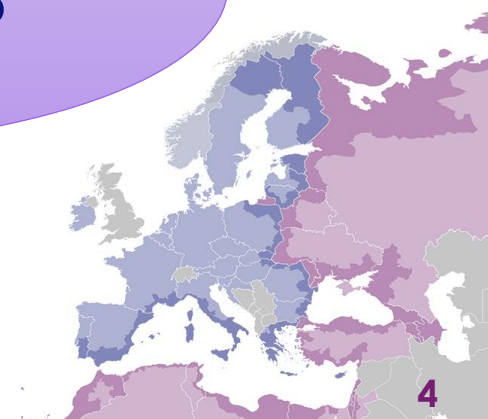

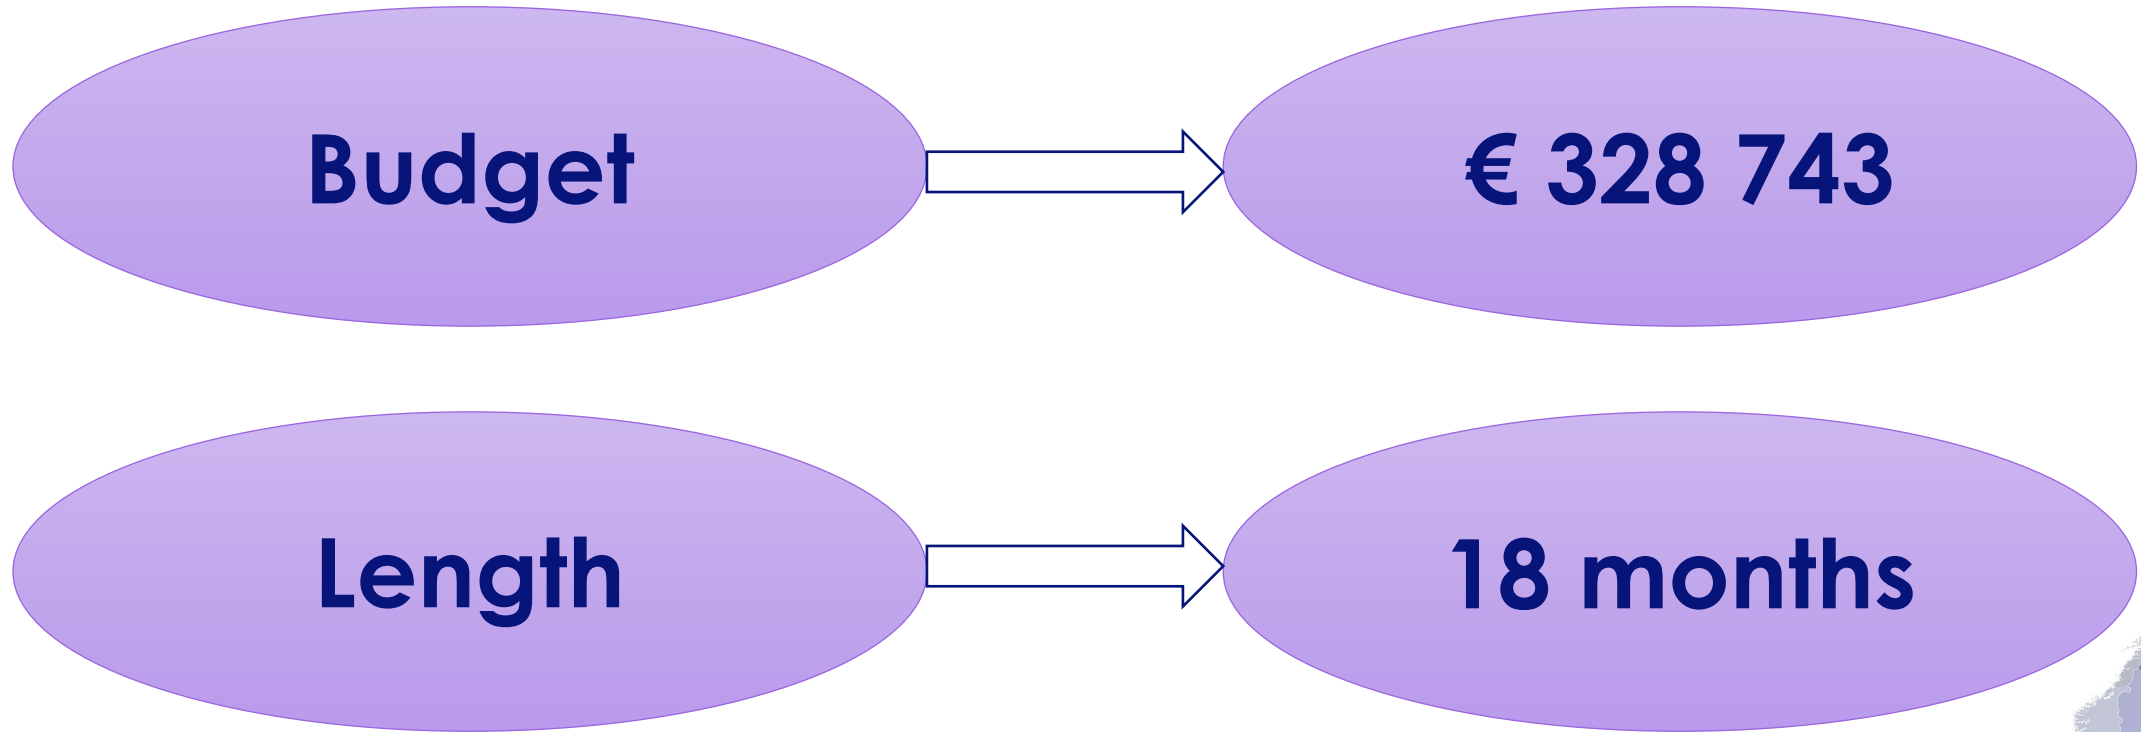

## Educational University Romanian-Ukrainian Cross-Border Cooperation

**Stefan cel Mare  
University of Suceava**

**Odessa National  
Polytechnic University**

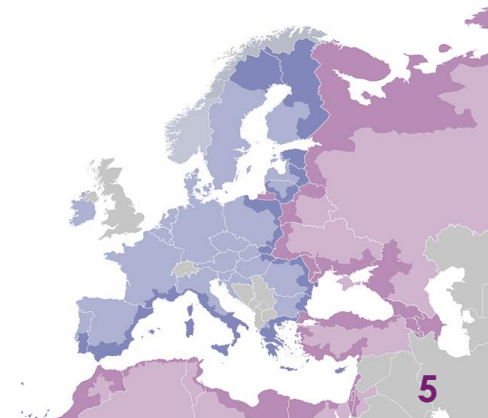

**Providing and improving the mechanisms, methodologies, concepts and tools that may ensure sustainable bilateral cooperation of the leading universities in the programme area**

**To improve the two partner universities educational quality**

**To promote the cross-border cooperation and mutual awareness between Romania and Ukraine**

**To improve the communication and cooperation between academic/research staff from Romanian and Ukrainian universities**

**Students from  
Romania and Ukraine**

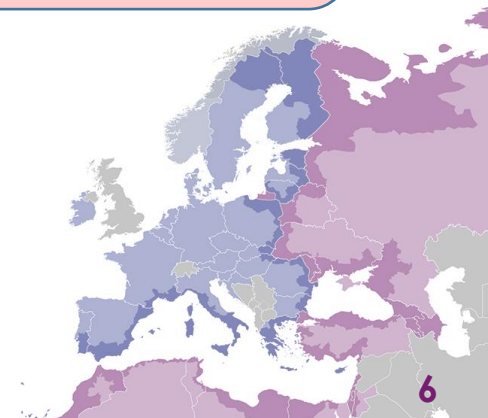

**Romanians or  
Romanian-speakers  
from Ukraine**

**Researchers from  
Romania and Ukraine**

**Ukrainians or  
Ukrainian-speakers  
from Romania**

**Active young people -  
prospective students**

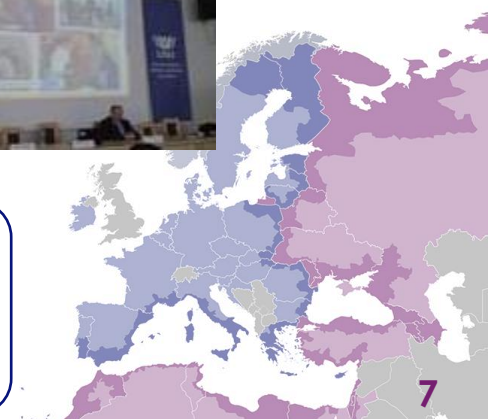

## Project outputs /results

120 trained students in the framework of the project got improved skills to be more adequate for the labour market

More than 10,000 students could access information and assistance on opportunities to participate in bilateral cooperation, mobilities, research, additional training and so on, therefore, improved accessibility to different educational tools and programmes

**International students conference “Cross border cooperation: experience and prospective”, April 15-16, 2022**

## Project outputs /results

30 persons from academic/research staff directly work on mechanisms, methodologies, curricula development, concepts and tools by experience exchange and transfer of good practices, therefore increasing the quality of education programmes available in the programme area;

the results of the work of the previous group will be disseminated to their colleagues, at least 700 persons hired as academic/research staff in the two universities, multiplying the effect of increasing the quality of education programmes available in the programme area on long-term basis;

### Summer School UNIV.E.R-U in numbers

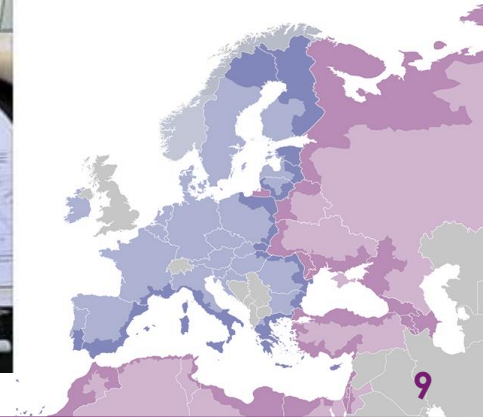

- **69 participants**
- **10 teams**
- **10 ideas for cross-border cooperation projects**
